Mr. Anderson was selected as a Top Attorney in Plaintiff’s Personal Injury (among top 4) and Product Liability.

Texas Rising Stars

Jason Stephens and Seth Anderson were both named as Texas Rising Stars for 2004, which is published in the July 2004 issues of *Texas Monthly* magazine and *Texas Rising Stars* magazine. This honor is the result of polling all Texas Super Lawyers for 2003 to identify the up-and-coming attorneys in Texas who are 40 years or younger. Only the top 2.5% of Texas lawyers received this distinction. Indeed, in the area of General Plaintiff Personal Injury, Mr. Stephens and Mr. Anderson were named among only 47 other lawyers selected across Texas.

They will appear in the October 2004 issues of *Texas Monthly* magazine and *Texas Super Lawyers* magazine. Only the top 5% of Texas lawyers received this distinction after a thorough selection process that included: (1) a general survey of all lawyers across Texas asking them to name the top lawyers they have observed; (2) a blue ribbon review panel; and (3) an independent attorney-led research group that graded candidates on ten criteria.
